Paul Davis National Names Henry W. Maley III as Vice President of Sales

Milwaukee, Wis. – January 27, 2014 - [Paul Davis National](#) has named Henry W. Maley III as Vice President of Sales. Maley will play a key role in the company's sales initiatives in commercial business along with marketing to insurance professionals. He will also promote Paul Davis' First Priority® Program, a highly-specialized program for businesses of all sizes to receive preferred status in the event of a disaster and to reduce business interruption. Maley joins the office to grow the company in large loss projects from flooding, fires, earthquakes, tornadoes, wind damage and other catastrophic events.

Paul Davis National specializes in commercial large losses and is part of the Paul Davis Restoration, Inc. franchise network. Paul Davis National operates throughout the United States and Canada and works in tandem with other locally-owned Paul Davis franchise offices.

Maley has more than 30 years of experience as a proven sales and marketing executive with a record of increasing sales and profits in a broad range of channels for Fortune 500 and entrepreneurial companies.

He has vast expertise and achievement as an award-winning sales and customer service professional. His unique background also includes skills in business-to-business and retail sales. Maley holds a Bachelor of Science degree in Political Science with a minor in Communications from Indiana State University in Terre Haute, IN. He resides in West Prospect, KY.

According to Art Dickerson, Paul Davis National's Senior Vice President of Business Development, Maley's success as a sales and marketing professional will be an asset to the company. "Henry's experience in the insurance, claims, and risk management field will propel the firm's restoration and recovery work with risk managers, insurance brokers, property managers, and facilities directors, among others," said Dickerson. "We are confident that Henry will help us to achieve our goals as one of the nation's leading large loss restoration and disaster recovery companies," he said.
